Primary Microsoft® Support TFN:

||+1-866⇒»⇒396⇒3403|| – (Available 24/7, connects directly to Microsoft® customer care)

Alternate Microsoft® Help Line:

+1-855⇒»⇒535⇒7109 – (Backup toll-free line for urgent support, also 24/7 live assistance)

💡 *Pro Tip:* Use **both numbers** if you're having difficulty connecting on one.

Step-by-Step Guide: Speak to a Live Microsoft® Agent

Follow these steps to get connected quickly without going in circles:

1. Dial the Microsoft® TFN:

|| +1-866⇒»⇒396⇒3403 || or **+1-855⇒»⇒535⇒7109**

2. Listen to the voice prompt

Select the option closest to your issue:

- Press 1 for account or billing issues
- Press 2 for technical support
- Press 3 for Microsoft Store or subscription questions
- Press 0 to talk to an agent (works in many cases)

3. Request to speak with a live person

Clearly say: **"Agent"** or **"Speak to representative"** if prompted.

4. Have your information ready

You'll speed up the process by having your:

- Microsoft account email
 - Device ID or serial number
 - Order ID (if about purchases)
-
