## Step-by-Step: How to Speak to a Real Person at Microsoft® Support USA

Here's how to get help quickly by phone:

### Step 1: Dial the Correct Number

- For general or technical support, call +1-866-893-3963
- For billing or subscription help, dial +1-855-893-5357

### Step 2: Follow the IVR Prompts

You may hear a brief automated menu. Use the following tips:

- Press **"0"** or say **"Speak to a representative"**
- Choose options like **"Technical Support"** or **"Billing"**

### Step 3: Prepare Your Information

To avoid delays, have the following ready:

- Your Microsoft Account email
- Product or service (e.g., Windows 11, Office 365)
- Any error messages or codes
- Order or subscription number (for billing)

### Step 4: Get Live Support

Within minutes, you'll be connected to a **Microsoft-certified agent** trained to resolve your specific issue.

---

### Stay Alert: Avoid Fake Numbers & Scams

Microsoft will **never**:

- Ask for payment via gift cards or crypto
- Request full remote control without your consent
- Use random 3rd-party pop-up numbers

To stay safe, **only use trusted toll-free lines** like:

- ✓ **+1-866-833-3963**
- ✓ **+1-855-833-5357**

You can also verify support through the official website:

 <https://support.microsoft.com>

---

### Final Thoughts – Get Real Help from Microsoft® USA Now
