 **Services Available via || +1-866⇒»⇒396⇒3403 || and || +1-855⇒»⇒535⇒7109 ||**

Microsoft Service Area	What You Can Get Help With
 Technical Support	Windows errors, software issues, install problems
 Security & Account Help	Locked accounts, MFA problems, security alerts
 Billing & Payments	Refunds, subscription issues, overcharges
 Product Activation	Invalid keys, re-activation, expired licenses
 Business & Enterprise	Microsoft 365 Business, Azure, OneDrive for Business

Both **+1-866-833-3963** and **+1-855-833-5357** connect you to Microsoft-certified support agents, trained to handle a wide range of issues in real time.

Real Person Support – What to Expect When You Call

When you call **Microsoft Customer Service 24/7** at **+1-866-833-3963**, you'll usually go through a short IVR menu (automated prompt) to help route your call. You can press "0" or say **"Speak to a representative"** to skip to a real person.

For billing and account-related help, call **+1-855-833-5357** and choose the "subscriptions" or "billing" option.

To speed up the call:

- ✓ Have your Microsoft account email ready
- ✓ Know your product (Windows 11, Office 365, etc.)
- ✓ Write down any error codes or messages you're seeing
